

TECHTOP AUSTRALIA *presents*

# New Possibilities with our new motor range

## C Frame shaded pole

- 2 Pole single or double shaft
- Power output from 1W to 40W
- Various mounting options
- Custom designs available

## Evaporative Cooler Pumps

- Superior corrosion resistance – 303 Stainless Steel
- 4 sizes available
- Designed for Australian conditions
- Filter basket available
- Auto reset overload protection

## 48 Frame PSC air movement motors

- Single or double shaft versions available
- Single, Multi or Variable speed options
- Power output from 40W to 950W
- Auto reset overload protection

## B56 Frame rolled body PSC, CSCR, 3Ph

- General purpose, flex & plug, IP55
- Grain feeder, IP55, flex & plug
- TEAO fan motors, IP55
- Overload protection

## Pool motors – BLDC & PSC

- 3 speed programmable high efficiency
- 0.55kW to 2.2kW output available
- IP55, flex & plug
- Various flange & shaft options

## BLDC High efficiency air movement

- Brushless DC technology
- 0.15kW to 0.75kW output
- Single or double shaft
- Direct replacement for PSC motors
- Self-programming, Reversible

## Builders Range

- Cement Mixer motors, on/off switch. Flex & plug, IP55
- Bricksaw motors, on/off switch, flex & plug, high torque
- Compressor motors, IP55, lead fitted, robust construction
